

My favourite fun place in Hong Kong

By Barny (2A)

My favourite fun place in Hong Kong is Ocean Park. It is on Hong Kong Island. I live in Tseung Kwun O. I go there by bus or by MTR.

I go there with my family. First, we take the cable car to go up the mountain. I take many beautiful photos from the cabin. Then, we visit the pandas. They are cute and big. Next, we go to watch the dolphin show. It is a great show. Lastly, I buy some key chains for my friends before we leave.

What an unforgettable day! I can't wait to go there again.

There are six floors in our dream school.

I like the pet room in our dream school the best. It is on the second floor. I like to go there in recess. I can take care of animals and feed them. I can even read to them. The dogs there are cute. The pet cats are also cute. I like to hug the rabbits so much.

My friend is Eman. Her favourite place is the playroom. It is on the first floor. She likes to go there with her friends. They can play with toys there.

We like our dream school very much.
