

Making a cake

(by Mak Tsz Ching, Katy)

Cathy wants to make a cake for her friends. It is because her friend's birthday is coming. She needs a tub of butter, a box of flour and a can of milk.

Soon, Cathy remembers she also needs some eggs and strawberries. Thus, she asks Piggy, 'Do you have any eggs and strawberries?' Piggy says, 'No, I don't have any eggs or strawberries, sorry!' Cathy feels very disappointed. And then, Cathy goes to ask Doggy, 'Do you have any eggs and strawberries?' Doggy says, 'Yes, I do! I have many eggs and strawberries.' Cathy feels relieved.

In the end, Doggy lends Cathy some eggs and strawberries. Then, Cathy asks Doggy, 'Can you help me to make the strawberry cake?' Then, Doggy replies, 'Of course!' Finally, they make the cake together successfully. What a fantastic day!

A camping experience

(by Sze Kai Ying, Chloe)

I went camping with my family yesterday. We went to Pui O. This was my first time being there, so I explored everywhere. I saw a lot of plants and flowers, some of the flowers were red, some of them were pink and some of them were yellow. The garden was filled with colourful colours. The weather was sunny and windy.

We did a lot of activities there. In the morning, I heard the birds sang beautifully, so I took a video of it. I really liked it.

In the afternoon, my dad and I went fishing, I caught a big fish, it looked yummy, so my dad cooked it. My brother and I played UNO and board games, it was fun.

In the evening, we ate the roasted fish, it was yummy. I told spooky scary stories and stargazed at night. I felt joyful for a happy day. I hope I can go to Pui O for camping again!

The School Picnic (Wang On Ching, Hazel)

Hi Katie,

How are you? I hope you are doing well. I have a school picnic. It is on the eleventh of October. We are going to Wu Kai Sha Youth Village. We go there by shuttle bus.

We can see beautiful mountains and trees. There are many butterflies and bees, but don't get too close. They may sting you. There is a breathtaking water fountain at the entrance. We take our class photo in front of it.

Students can eat and play there. I bring a lot of snacks to share with my classmates. We like to eat on the grass because it is comfortable. After snacks time, I invite my friends to play in the playground. We have a lot of fun playing on the slides, swings, see-saws and monkey bars. I am the best at playing on the monkey bars. But I fell down accidentally and got injured. My friends and teachers are worried about me. I will be careful next time.

I feel delighted because the school picnic is extremely fun and memorable! How about you? Do you have any fun experiences to share? I miss you so much.

I must go now. I am looking forward to hearing from you.

Yours,
Mary
